ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on January 16, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below:

On August 18, 2005, appellants filed an Appeal Brief under 37 CFR § 41.37. A review of the file reveals that the "Summary of Claimed Subject Matter," as required by 41.37(c)(1)(v), is not properly set forth. It is noted Appellant's refer the Office to the original Appeal brief filed February 22, 2005. It is also deficient for the same reason set forth below. 37 CFR § 41.37(c)(1)(v) which states:

(v) ***Summary of claimed subject matter.*** A concise explanation of the subject matter defined in each of the independent claims involved in the appeal, which shall refer to the specification by page and line number, and to the drawing, if any, by reference characters. For each independent claim involved in the appeal and for each dependent claim argued separately under the provisions of paragraph (c)(1)(vii) of this section, every means plus function and step plus function as permitted by 35 U.S.C. 112, sixth paragraph, must be identified and the structure, material, or acts described in the specification as corresponding to each claimed function must be set forth with reference to the specification by page and line number, and to the drawing, if any, by reference characters.

As indicated, the independent claims must be mapped to the disclosure, including specification page and line number, and, if applicable, drawing reference characters.

Accordingly, it is

**ORDERED** that the application is returned to the Examiner:

- 1) to hold the Appeal Brief of August 18, 2005 defective;
- 2) to notify applicants to file a substitute Appeal Brief in compliance with 37 CFR § 41.37;
- 3) for the examiner to consider the substitute Appeal Brief, and if necessary, vacate the examiner's answer mailed July 27, 2006, and issue a revised examiner's answer in accordance with the new rules effective September 13, 2004;

Application No. 09/713,342

- 4) have a complete copy of the substitute Appeal Brief and any subsequent Examiner's Answer scanned into the record; and
- 5) for such further action as may be appropriate.
